1 hotel-size bar of soap (1 oz. and up)

1 pair of clean latex gloves

1 square yard of clear 4 mil plastic sheeting

3 pieces of clean string each 12" long

Important Kit Assembly Information

All items included in kits must be NEW items.

All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more. Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Shipping Kits

Complete 2 packing lists—one for your records and one to put on the shipping box.

Paste the shipping label and packing list on the outside of **each box** you send to the depot. The packing list helps the depot to quickly process kits.

Processing & Shipping Costs: Please enclose an envelope containing at least \$1 for each kit you send. This donation enables kits to be sent without delay to areas in need.

Kits may be sent to the UMCOR depot that is most convenient for you. Send Kits to:
